

WHAT IS TAFE DELIVERED VOCATIONAL AND EDUCATIONAL TRAINING (TVET)?

While studying for your Higher School Certificate, consider getting a head-start on the road to your future career and pick up important life skills on the way.

TVET Courses are a great study option during Year 11 and/or Year 12 because they allow you to:

- Complete NESA units that count towards your HSC
- Gain practical skills that will make you job-ready
- Experience an adult learning environment
- Start or complete a nationally recognised TAFE NSW qualification at the same time as you do your HSC
- Choose from courses that are not offered at school.

BOARD DEVELOPED COURSES – INDUSTRY CURRICULUM FRAMEWORK

Give you credit towards the HSC and may count towards an ATAR if you complete the 240 hour course, mandatory Work Placement and undertake the optional HSC exam (NESA).

BOARD ENDORSED COURSES (SEE OVER)

Endorsed by the NESA and can count towards the units for the Preliminary/HSC but do not contribute to an ATAR.

Please note that courses and their availabilities are subject to change and the information provided was correct at the time of printing. Contact your local TVET office to ensure your chosen course is running at the desired location.
